

## Press Release

Ameriscan Press Release: July 17<sup>th</sup> 2006

FFE Transportation Services, Inc. ("FFE"), the nations leading Total Temperature-Controlled Truckload and LTL Quality Service Carrier, has recently signed with Ameriscan Inc., the leader for temperature recorders. Ameriscan Temperature recorders will provide FFE the means necessary to ensure superior temperature recording for highly critical products. Ameriscan temp recorders incorporate the latest technology for perishable transportation including full real time two-way communication, printing capabilities and temperature sensors with precision of up to 0.1C. FFE has chosen Ameriscan for its proven track record and high quality standards.
